Parties at The Hideaway

Our Parties

Parties at the Hideaway are a wonderful, hassle-free way of providing your child with a party to remember. Ideal for birthdays, Christenings and family celebrations, we provide party packages that can include a fantastic play space, great food and plenty of additional extras too. On Saturday evening and Sunday afternoons we can offer exclusive parties whilst the rest of the week, we're able to offer food in an exclusive party zone, free play time for the children and a private area for any additional activities.

Free play

All packages include at least an hour of free play in our large party space. It's ideal for children aged 0-7 though there's also plenty for babies and older children to play with too. We're an educational play

We have a bouncy castle which is up all the time, a huge construction zone with giant foam lego bricks as well as duplo and real Lego for children who enjoy that. Our special street with shops, cars and costumes are perfect

for role play and our large learning zone features plenty of books, baby toys and a space for story time, singing and other activities.

We have a large Creation Station with regular craft activities, water, sand and messy play. All in all there's plenty to do and enough to keep kids (and big kids) happy all day long.

Other Details

Decorations

We provide party table cloths and coloured bunting for the party. If you wish to provide your own table cloths we need these to be dropped off at the Hideaway at least the day before the party, labelled with the party date and time. If you wish to hang any additional decorations or balloons this will need to be done on arrival as it's likely another group will have use of the space prior to your party finish time.

Guest arrival

If guests arrive before the start time of the party, they may be asked to wait at reception until we're ready to receive them. Please encourage all guests to leave promptly at the end of the party as this may have a knock-on effect for other parties or activities planned for the day.

Responsibilities

The children at the party are not the responsibility of Hideaway staff. If children are dropped off by parents they automatically become the responsibility of the party host. Please ensure you have all contact numbers and relevant health or allergen information about any children being left in your care.

Cake

You are very welcome to bring your own cake to the party and use candles if required. We do recommend using child safe alternatives. You are welcome to drop off a cake at The Hideaway prior to the party, however the Hideaway accepts no responsibility for any damage to the cake whilst it is in our care.

Party Bags

You are welcome to bring party bags to your party for the children. Alternatively we can provide these for an additional cost of £2.50 per child. The bags

are age appropriate and contain a mix of fun items and sweet treats. We use paper bags that can be coloured in to reduce plastic waste.

Exclusive Parties

We offer exclusive use parties on some Sunday afternoons. During exclusive use you will be allowed to arrive 30 minutes before the party to set anything up. Please be aware that the set-up time may not be exclusive and there may be some overlap with guests arriving or leaving for their party during the 30 minutes changeover. Exclusive parties are 2 hours long and include one additional activity from the list. They cost £400 and include a children's buffet for up to 40 children. Additional children are charged at £3.50 per child. Please note the maximum capacity for children and adults is 100 guests and this must not be exceeded.

Together Again Parties

Saturday evening parties are up to 3 hours long from 6.30pm. Venue hire is £400 plus buffet from £175 for 30 people - £700 for hot buffet for 100. You are required to book food and use of the kitchen/bringing own food is not permitted. The cafe will be open for hot and soft drinks. Hideaway staff will be on-site at all times to manage reception and safety. All damage must be paid for. Alcohol is not permitted on site.
